Bridge Rehabilitation Project

Location - Illinois Route 96 over Rock Creek; 2 miles south of Ursa in Adams County.

The Illinois Department of Transportation (IDOT) announces that construction will begin on Illinois Route 96 over Rock Creek, 2 miles south of Ursa, weather permitting, Wednesday October 1st.

The contract includes bridge deck patching. Traffic will be controlled by signals. Work on this project is expected to be completed by November 2014. The contractor on this \$89,000 project is Laverdiere Construction, Inc. of Macomb, Illinois.

Please slow down and use extreme caution while driving through all work zones.
